But I wonder if I'll be able to properly go out with him...

I have a boyfriend for the first time in my life.

What are you even supposed to do?

Mahiru,
Is your Sunday free?
I have a place I'd like the two of us to go together.
Umm... Moriya-san, have you gone out with someone before?
-Is what he said!!
Isn't that a date?!

Sensei, please teach me!
What are you supposed to do on a date?!
.....
O-
Of course I have!
Nor-mal...?
Yeah.
You just have to do normal things.
For that, you just...
Why not watch "Roman Holiday*" or something? Wouldn't that serve as a reference?!
...I see.
And kissing and stuff.
K-Kiss?!
For example, riding a ferris wheel,
or watching a movie together.

But a date is a date!! We'll be together for the whole day.

What do I do if us being together the whole day is just me expecting too much?
BANG
Aaaaaa aaa, I'm sorry!
WAAAA AAAA
Are you hurt? Are you okay?
Bye Byeeee~
Good thing I was the only one that was hurt.
sigh
Something immediately happened...
It's all because I got carried away thinking about the date.
GLOOM

My skirt is torn...!
Even though I bought it just for today.
What do I do? More bad things might happen...
But I can't just go home now...

Excuse me, could I have a moment of your time?
What... is this...?
I just want to talk for a bit.
Huh?

Could you do a little survey for me?
Either way, I'm sorry!
I worked hard so that I could stand beside Satomi-kun without embarrassing him but, does me being hit on me that's a success?!
Is this the rumored 'being hit on'?!
I'm sorry, I can't right now.
It'll only take five minutes.
I didn't succeed at all.
I- Im sorry, even though you went out of your way to ask someone like me.
AAAAAAAH!! Why is this happening on my first date?! More bad things were going to happen after all!!!
Can't you see that you're bothering her?

If you have business with her, I'd like to hear it.
Now what might that be?

Huh?
Huh?
Ah, I'm sorry.

Let's go, Mahiru.
Huh? If you have no business then we'll be excusing ourselves.

It doesn't matter, they're the same.
He wasn't hitting on me, he was just a sales-man.
Mahiru's cute, so you were hit on.
Unpleasant things are still unpleasant.

I'm glad I came.
A lot happened and I was late too but,
Hm?
Okay.
He kept begging to come,
I'm really sorry about this.
I'm sorry Mahiru. There's someone I'd like to introduce you to, is that okay?

Taking a picture together!! So casually?
Thanks.
It's amazing, amazing! It looks good.
I'll send it now.
A picture with Satomi-kun, bones, and me all together— This is going to be a precious memory.
I'll cherish it.

Even though my face is a little tense...
This is amazing.
You're right.
If you do this, it just keeps spinning.
Mahiru, look at this...!
The Velociraptor looks like it's on a rotisserie

It would be even better if we liked the same things...
Satomi-kun really does like dinosaurs.
It's good to have an interest in things you don't know.
I guess I'll study the captions for now.
Hmmm?
Satomi-kun?
Huh?
Satomi-kun?
SFX HUH

Mahiru! Sorry!
Yuu kept on running ahead.
What do I do?
I'm going to be a bother again.
Let's not get separated.

Huh?
This is the first time I've gone on a date.
The truth is, I was really nervous.
...Sorry.
I was really worried where we should go today.
HUU UUUU UH?!
I decided that first off, I should teach you about the things I like.
But we wouldn't talk very much, right?
I really thought that a movie or something would be better.

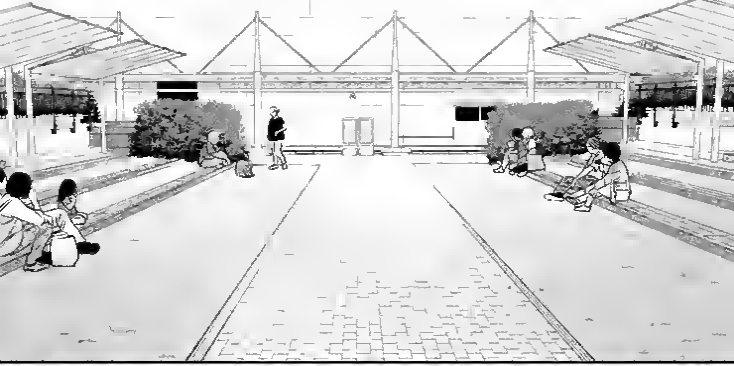
Sorry,
bringing him would make me less nervous, is what I thought when I brought him today.
It's the truth that Yuu threw a tantrum about wanting to go but,
I thought,
I thought that there wouldn't be anyone but Satomi-kun and me, I was really surprised.
I was surprised, but glad.

I'm glad too.
Also,
Call me Aoi.
A-Aoi
-kun.

*SHE KEEPS FORCING THE SUBJECT AND WON'T SAY JUST AOI

It's like they could beat anything.
Sometimes,
Aoi-kun makes this type of face.
Why is that?

I wonder if I can really become strong...
I-I wanna help too...
Being together with you cheers me up.
If someone like me really was the source of Aoi's happiness, then I'd really be glad but...



Mahiru, want some tea?

Huh? Thank you.

AAAAH, in this sort of situation, aren't I the one supposed to be buying tea?

Yeah, it was a good learning experience.

We went around so many places and got some souvenirs too. This was fun.

It's okay, I have a towel.

Aren't I the one supposed to be getting the towel too?

AHHH, I'M SORRYYY!

Ah-

It's okay, being here with you makes things lively and fun.

I'm going to go wash the towel so I'll leave Yuu with you for a bit.
